WE ARE SHOCKOUT

BACKGROUND

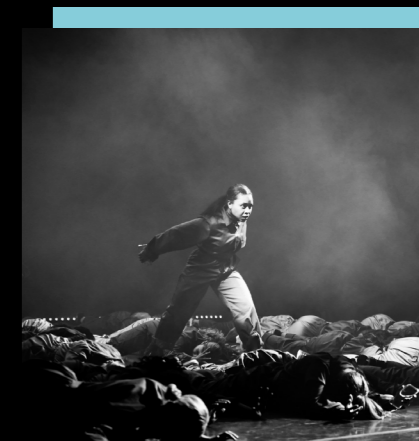

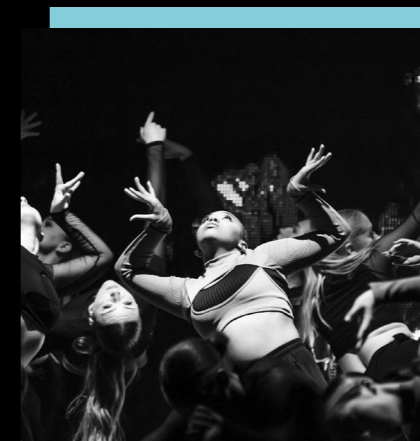

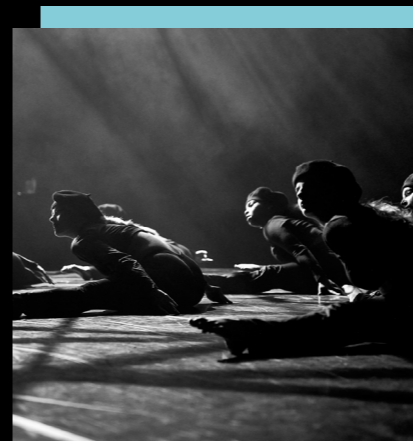

Celebrating 20 years, Shockout redefines dance and performing arts education. Rooted in passion and excellence, it is a diverse talent hub led by CEO Sue Luke and Creative Director Jamie Luke. Offering intensive conservatoire training, Shockout fosters creativity and embeds industry trends into its curriculum. Thriving on collaboration, it transforms raw talent into refined artistry, propelled by a commitment of mentorship and continuous improvement. Shockout stands as a beacon of dynamic innovation in the creative arts industry.

ETHOS

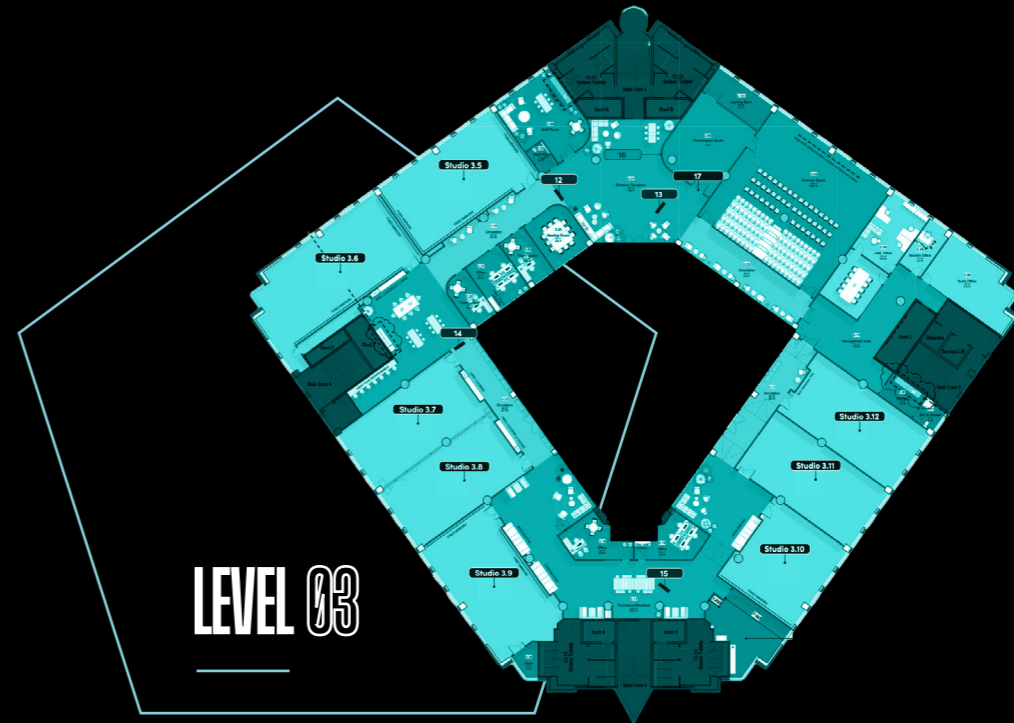

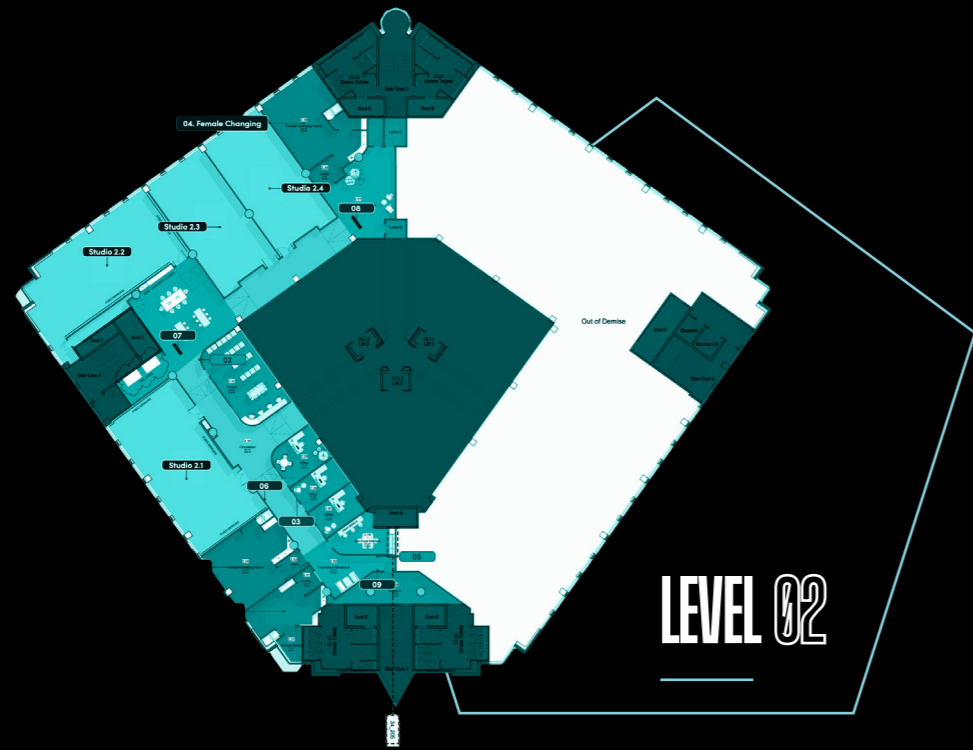

Our ethos is to provide a broad range of practical driven subjects, to enable creativity, artistry and individuality. We aim to allow students to access a wide range of professional platforms, which inspire and equip students for a long and diverse career.

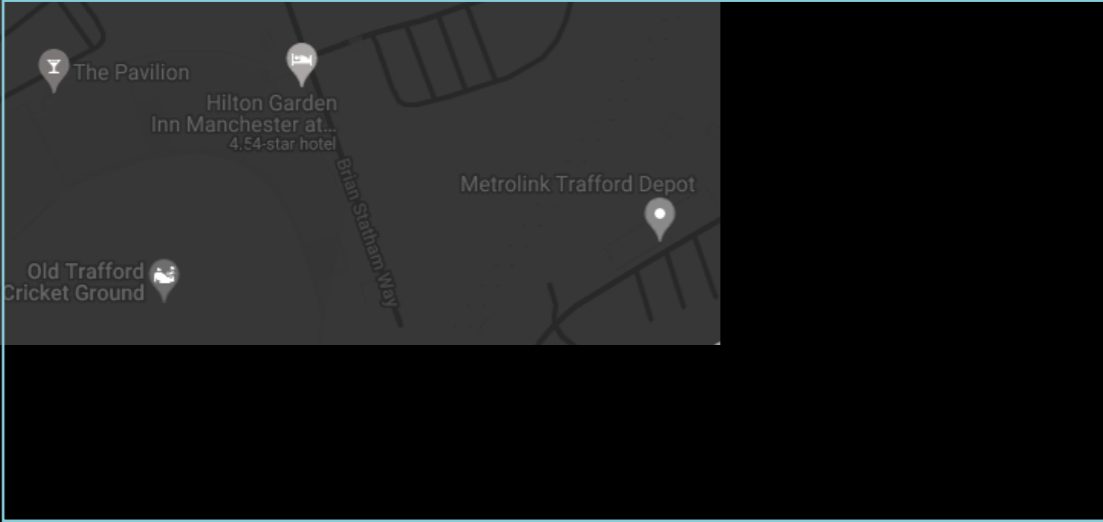

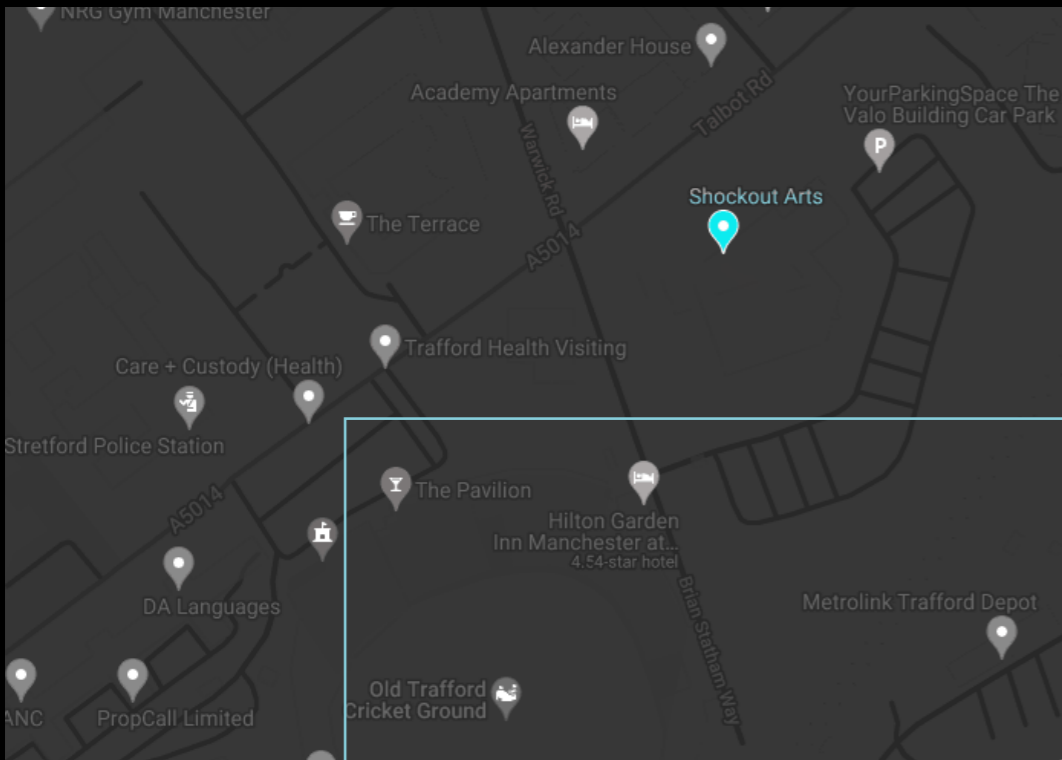

VISION

Our vision is to create passionate, determined and dedicated young artists with a holistic skill set, to allow them to achieve their career aspirations.

LOCALITY

Shockout's strategic positioning in Old Trafford, Manchester, places it at the heart of a dynamic cultural and sports hub. Nestled within proximity to iconic landmarks including Old Trafford Stadium and the Imperial War Museum North, Shockout enjoys the benefits of a vibrant and historically rich community. The central location ensures excellent connectivity, with access to transportation networks, educational institutions, and a range

of commercial and retail facilities. This prime setting not only enhances the overall Shockout experience but also provides students with exposure to the broader artistic and cultural landscape of Manchester. The blend of sports, culture, accessibility, and community makes Shockout's location an ideal platform for aspiring artists to thrive and evolve.

WELCOME TO SHOCKOUT STUDIOS

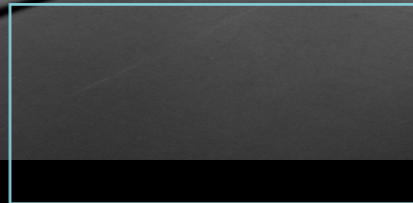

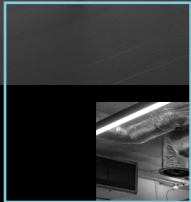

Welcome to Shockout Studios, Manchester's premier creative hub, where innovation meets collaboration. Located just steps from the Old Trafford metro stop, Shockout Studios offers 12 state-of-the-art studios available for hire, providing the ideal environment for artists and performers across all disciplines.

In addition to these versatile studios, Shockout Studios offers a wide range of classes across multiple genres, catering to both beginners and seasoned professionals. Whether you're looking to refine your dance technique, explore new forms of expression, or deepen your understanding of the performing arts, our expert-led classes provide the perfect opportunity to grow and develop.

Our intimate 100-seat theatre serves as a dynamic platform for students and professionals alike to showcase their work, embracing avant-garde and experimental performances that push creative boundaries. Beyond the studios and classes, you'll find modern meeting rooms, flexible breakout areas, and communal kitchens—spaces designed to foster collaboration, community, and the free flow of ideas.

With its convenient location, and commitment to nurturing creativity, Shockout Studios is the ultimate destination for artists seeking a vibrant, supportive environment to explore, create, and thrive.

STUDIOS

At Shockout Studios, our state-of-the-art facility features 12 purpose-built studios, meticulously crafted to meet the highest standards of functionality and comfort. Each studio is equipped with full-length mirrors, offering a comprehensive view that ensures precise choreography and performance refinement. The responsive sprung flooring enhances movement, making it ideal for professional rehearsals and performances.

Our studios are fully soundproofed, providing a private and immersive environment where creativity can thrive

without interruption. The integrated sound systems deliver exceptional audio quality, allowing seamless synchronization of music and movement. Additionally, air conditioning in every studio ensures a comfortable atmosphere, making it an ideal space for long sessions.

Designed with both technical excellence and comfort in mind, Shockout Studios offers a professional environment that harmonizes advanced features with luxury, making it the perfect choice for rehearsals, performances, and creative projects.
